

Root Rescue Aeration is a rapidly growing, firefighter owned and operated company. We started our one man operation in 2017 and have been growing ever since. There are plenty of opportunities to move up and make a comfortable career with our company. Our reputation of big company performance with small company service is driven by our dedicated, hard working employees.

Root Rescue Aeration is searching for a thorough, green-fingered Lawn Care Technician to maintain our properties. The Lawn Care Technician's responsibilities include working as a member of a team to: mow grass, aerate, power rake, fertilize, seed, sprinkler start up, shut down, and repair, removing trash and weeds from the vicinity, and ensuring that equipment is stored correctly.

To ensure success as a Lawn Care Technician, you should be a team player who is: professional, punctual, honest, and hardworking. Ultimately, an outstanding Lawn Care Technician will work to maintain our properties and continue to help grow the company.

Lawn Care Technician Duties and Responsibilities:

- Caring for the grass by mowing, trimming, and edging, as needed.
- Monitoring the growth of the greenery and potential issues.
- Extracting and disposing of invasive plants and weeds.
- Clearing the area of trash and dumping this appropriately.
- Conducting your duties in a manner that does not harm or destroy anything on property.
- Informing your line manager when stock ought to be maintained, replenished, or replaced.
- Storing equipment and supplies in a safe manner.
- Complete daily tasks as assigned by crew foreman in an efficient manner that meets RRA standards

Lawn Care Technician Skills and Requirements:

- High school diploma is preferred.
- Completion of formal training is highly advantageous.
- Previous lawn care experience is preferred, but not required.
- Capacity to use small engine equipment and tools such as mowers, aerators, trimmers
- Excellent interpersonal and communication skills.
- Capacity to follow directions.
- Attentive and hardworking.
- Physically fit. ***Able to lift 50lbs on a regular basis in hot or cold weather.***
- Drivers License with reliable transportation to work
- Ability to work on weekends or later in evening if inclement weather is present during weekdays

Job Type: Seasonal, Part-time, Full-time

Compensation: \$13.15-\$18.25 /hour

- \$1 per hour raise after 90 days
- Additional per hour rate based on experience in: lawn care, small engines, spray and turf management, sprinklers and irrigation
- Bonuses based on performance
- Return Seasonal Incentives
- Overtime as Desired
